

Dear Parent/Guardian;

Your child's teacher or eye doctor has indicated that your child may benefit from enrolling in Providing Access to the Visual Environment (V-PAVE). This program is funded by the Tennessee Department of Education and administered through the Vanderbilt Eye Institute. V-PAVE provides no-cost low vision evaluations, optical devices and training by a Certified Teacher of the Visually Impaired.

To determine if your child is eligible for V-PAVE, our staff will need to review educational records (e.g. Functional Vision Assessment, School Vision report) and medical records that pertain to vision. If we determine your child is eligible for our services after this review, we will contact you to schedule an appointment for a clinical low vision evaluation.

Please do not hesitate to contact us if you have any questions or concerns.

Sincerely,

Brandi McRedmond
Program Manager, Project PAVE
615-936-3718
brandi.mcredmond@vumc.org

_____ I give permission for Project PAVE staff to review educational and/or medical records that pertain to my child's vision.

_____ I do not give permission for Project PAVE staff to review educational and/or medical records that pertain to my child's vision.
