

Jewelry Activity Kit

Kids love to make jewelry, from friendship bracelets to beaded necklaces. You can decide how many kits you want to make. Jewelry supplies are very inexpensive at places like Oriental Trading (online), Michael's or S&S Worldwide (online).

Shopping List

- Cording or pre-made necklaces (with a clasp)
If you buy cording to cut, we suggest 24 inches in length.
- Beads that fit your cording (At least 10 beads per kit - buying in bulk is easy and cost-effective)
- Ziplock® or plastic bags to hold kit items (20 bags)

Instructions:

1. In each bag put a variety of beads, cording or necklace.
2. Seal each bag to ensure contents don't fall out.
3. Put them in a bin or box and give us a call to schedule a drop-off time.
